

Press Break Down

We had a major setback with our Web press in late May that halted our printing until the month of July. The problem really hindered our production of the Bibles for Samoa and the project in Panama. We

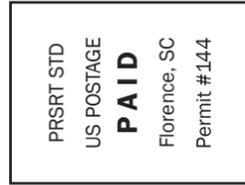

had to bring in a technician from Missouri to get it back in operation. The technician, along with our press operator Chip Paugh, worked on the press for an entire week to get it back in operation. Thankfully, it is fixed and back in operation.

We are thankful for all who prayed and stepped up and gave to help us through this crisis. God has given our ministry some wonderful churches and friends that have stood with us over the years. We are very grateful for you and pray God will bless you for being a great friend to our ministry. Join us in prayer that the press will run flawlessly for a long time in printing the Word of God. AMEN!

We Want to Thank

Pastor Mike Sanders and those who joined him in the purchase of a 2016 Ford Explorer for our ministry. What a big surprise! Our hearts were overwhelmed and we are very thankful for the churches and individuals who took part in this project. We will use the car to carry on the work God has assigned us in getting the "Word of God to the World." We pray God will abundantly bless each one that had a part in this tremendous blessing to us. We thank you for your love and for your involvement in our ministry. Until Jesus comes again - let's keep at the task of reaching the world with the Gospel.

Word from the Director

We are gearing up and getting ready for the big 25th Anniversary Celebration for Beacon of Truth Baptist Ministries. This great event will be held on October 2-3, 2017 at the Dry Run Ind. Baptist Church in Duncansville, Pennsylvania. This is the home church for our ministry. Dr. Bob Ford, Bible distributor and representative for Bearing Precious Seed in Milford, Ohio, will be our keynote speaker. Dr. Ford has been a great encouragement for our ministry and has been instrumental in helping us get "The Word of God to the World."

Excitement is mounting as we approach the opening service on Monday night, October 2nd at 7:00 PM. There will be great music, testimonies, and great preaching from the Word of God. Special gifts will be given to every preacher and preacher's wife in attendance. Then, the final service will be held on Tuesday evening at 7:00 PM. We will have more testimonies, more special music, and more preaching from the Word of God. We are praying for a great and wonderful time together, and we want you preachers to come, bring folks from your church, and join with us in thanking the Lord for His many blessings over the last twenty-five years.

On Tuesday morning, we will gather at the Prime Sirloin Restaurant as we join together with the area "Preachers Fellowship" in Duncansville, Pennsylvania. Once again, we will have special music and testimonies and Dr. Bob Ford will be speaking. Great music, great fellowship, great food, and great preaching are in store for all that come. Mark your calendars now and plan to attend our 25th Anniversary Celebration.

Saturating Panama With the Gospel

God has opened the door for Beacon of Truth Baptist Ministries to place 650,000 Spanish Romans booklets with the illustrated plan of salvation into the country of Panama.

In addition, we are sending the missionaries 1 million Spanish Gospel tracts for their outreach ministries.

Panama is slightly smaller than South Carolina with a population of a little more than 4 million people. It is located in Central America with Costa Rica to the west and Columbia to the southwest. The official language is Spanish.

The materials we are sending will equip 10 different churches, under the direction of Missionary William Booth, to distribute the Gospel materials in the country. Please pray for this project:

1. Pray for those who are distributing the materials.
2. Pray for souls to be saved.
3. Pray for the \$55,300 that is needed to provide these materials at no cost to the missionaries.

We are trusting God to do great things in the country of Panama through this project.

Partners in Publishing

Here at Beacon of Truth Ministries, we are constantly in need of ink and paper to print the precious Word of God. Each year we turn out thousands upon thousands of Scripture portions like the John/Romans booklets, Romans booklets with the illustrated plan of salvation, New Testaments, and whole Bibles. Each roll of paper will cost approximately \$500 and has the potential of producing thousands of signatures that contain God's precious Word. We purchase the paper by the truckload and each truck delivers about 42 rolls at a time. Would you prayerfully consider becoming a "Partner in Publishing" with us by helping us purchase another truckload of paper. This is a great project for VBS, Sunday school classes, youth departments, or a mission's project of the church. We need your help and would ask you to pray and ask the Lord what He would have you do.

SAMOAN BIBLE PROJECT

The Bibles for the Samoan Project is underway. We are excited about the opportunity God has given us to place Bibles once again into the country. We did 5,000 Bibles for them a few years ago and now we have the privilege to do 15,000 Bibles for Missionary Jim Civalé and his church family. The official languages are Samoan and English. The Bibles we are sending them will be in the Samoan language. Brother Civalé and his church family are in a campaign to place a Bible in every home in their area. Pray for them as they distribute the Bibles and reach others with the Gospel.

The Lord willing, I will be going to Samoa to take part in the dedication of the Bibles in early February of 2018. We covet your prayers for this project and for our visit to Samoa.

It's On Its Way

Another truckload of paper is on its way to our printing plant in Florence, South Carolina. It should arrive in early August and it is always exciting to see the truck come and the paper unloaded. Paper and ink is a constant need in our ministry and we are thankful to our Lord for enabling us to get another

truckload for our ministry. The world is in great need of the Word of God and our only hindrance in getting the Word to them is the lack of paper to print more Bibles. As soon as this truckload arrives, and as soon as the funds are in hand, we are going to need to order another truckload of paper.

Please pray for this great need in our ministry. Each truckload ranges from \$18,000 to \$20,000 and it only takes

about 3 weeks of printing to turn the paper into Scriptures for the mission field. As the world cries out for the Word of God we must not deny them the privilege of having God's Word. AMEN!
