

# Great Servants of the Lord

Humberto Gomez and Missionary Lacy Wheeler are two choice servants of the Lord Jesus Christ. Brother Gomez is the man God used in making much needed corrections to the Spanish Bible. Brother Wheeler is a missionary in Mexico that we work with to provide Bibles, Scripture portions, and Gospel tracts for other missionaries and national workers throughout Mexico. Over the years of working with Brother Wheeler, millions of these materials have been sent out and distributed. **GLORY!** Only heaven will reveal the impact they have had. Pray for these men as they faithfully serve our Lord.

## Saturating Kiribati with the Gospel

We recently joined with Community Baptist Church in Curwensville, Pennsylvania, to assemble and send to Missionary Joel Daku 45,000

John/Romans booklets to aid them in saturating Kiribati with the Gospel. Pastor Todd Hogue has a burden to help the missionaries his church supports by sending them the booklets in the languages of the people. We rejoice with Brother Hogue and his people in undertaking this vision, not only to support financially their missionaries, but to provide these valuable soul-winning tools to reach lost sinners for Christ. Pray with us for a great harvest of souls as Missionary Joel Daku and his church people distribute the Gospel.

## Word from the Director

Dr. Dan Hummel  
Founder/President

I am very thankful for the 25 years of blessing God has placed on Beacon of Truth Baptist Ministries. It is hard to believe how fast the time has gone by. From a small Sunday School room in Dunbar, Pennsylvania, to a 5,000 sq. ft. building in Florence, South Carolina, Beacon of Truth Ministries continues to expand and reach out to the world with the life-transforming message of the Gospel of Jesus Christ. Millions of Gospel tracts,

Bibles, and Scripture portions have been sent to missionaries to aid them in reaching the lost for Christ. We provide these materials to them at no cost as the Lord enables us to do so.

When Dee and I started this ministry, we never dreamed that God would send four other couples to help us in this great endeavor. Doug and Janice Hummel, Chip and Vicki Paugh, Dan and Donna Stroupe and Bob and Annette Maurer are very special to us along with all the volunteers that work alongside them to accomplish our world-wide ministry. We are very thankful for them and for the excellent work they do for the glory of God. We would not be where we are today without their sacrifice and dedication.

We also rejoice in each church and the many friends God has led to support us and work with us to "send the Word to the World." God bless each of you for your investment and involvement in Beacon of Truth Baptist Ministries.

## The Panama Project

We continue to move forward and each week we get closer to the completion of this project for Panama. We have about another 60,000 of the Spanish Romans booklets to do and the 650,000 goal will be reached and paid for in full. Praise the Lord! Many churches have been involved in this project and we appreciate every one of them for their participation. Before the container is shipped, we still need funds

to compete the 1 million tracts we are sending to them. We need another \$4,300 to finish printing the Gospel tracts. If you would like to help with this project it would be a great blessing to the people of Panama. Just designate your gift for the Panama Project. Thanks for your help!

## Samoan Bible Project

The Bible project for Missionary Jim Civale, who is serving the Lord in Samoa, is just about complete. We are doing 15,000 whole Bibles for them and I plan to go with a group from Dry

Run Independent Baptist Church early next year for the dedication of these Bibles. It is so exciting to print the Bibles and then place them in the hands of individuals that do not have one of

their own. Please continue to pray for this project as it nears completion, that all will go well. AMEN!

## Partners in Publishing

Here at Beacon of Truth Ministries, we are constantly in need of ink and paper to print the precious Word of God. Each year we turn out thousands upon thousands of Scripture portions like the John/Romans booklets, Romans booklets with the illustrated plan of salvation, New Testaments, and whole Bibles. Each roll of paper will cost approximately \$500 and has the potential of producing thousands of signatures that contain God's precious Word. We purchase the paper by the truckload and each truck delivers about 42 rolls at a time. Would you prayerfully consider becoming a "Partner in Publishing" with us by helping us purchase another truckload of paper. This is a great project for VBS, Sunday school classes, youth departments, or a mission's project of the church. We need your help and would ask you to pray and ask the Lord what He would have you do.

## Outreach in Oaxaca Mexico

Joe Hendrigsman is a missionary that is reaching Oaxaca and surrounding areas with the Gospel message. We have provided soul-winning materials for them to use in their outreach ministry. He and his wife, along with other fellow Christians, are doing a great job in preparing packets of materials they distribute to the lost. Pray for them as they

faithfully reach others for Christ, that many will come to know the Lord as their Saviour. AMEN!

## Another Truckload of Paper Arrives

It is always exciting when another truckload of paper arrives because of what it enables us to do. With this truckload, 20,000 more Spanish Bibles will be printed and another 20,000 English Bibles will be produced. The demand for these Bibles increases with each passing day. Churches, missionaries, and others use them in providing the Word of God for needy souls.

For instance, Valley Baptist Church in Coatesville, Pennsylvania, is distributing Bibles in their area. Pastor Kevin Cavanaugh and his church family has a goal to place a Bible in every home in their community. It's a great undertaking but they firmly believe there is power in the Word of God and they claim the promise that God's Word will not return to Him void. (Isaiah 55:11). We applaud Valley Baptist and Pastor Kevin Cavanaugh for their vision.
